A VOLUME OF LEGEND, STORY AND SONG

IN

“Pennsylvania Dutch”

1904

Entered according to Act of Congress, in the year 1904, by

In the office of the Librarian of Congress, at Washington.

PREFACE

THE articles contained in this volume were published from time to time, in the Middleburgh (Pa.) Post, of which I was editor until 1894, and since then in the KEYSTONE GAZETTE, Bellefonte, Pa., under the heading of "Brief Fum Hawsa Barrick," addressed to myself as "Liever Kernel Harder" and signed "Gottlieb Boonastiel." At first they were written for personal amusement, and appeared only occasionally, but I soon found them so essential to the prosperity of my paper that, in order to keep up its circulation, I was compelled to write every week, and now have a great number of letters on file, out of which I have selected the substance that composes this volume.

Although there are several volumes of poetry in this language, I believe this to be the first one in prose of this people, whose language, customs, and traditions are peculiar to themselves, and who are rapidly passing away. Although this blood, as one writer has conceded, is the best strength of nearly three million Pennsylvanians, and of something like a million more in other States, there remain but a few thousand families of the old unchanged stock. The rest, through inter-marriage and long association with the dominant race, have lost their peculiarities, and are indistinguishable from them, unless it be by reason of their greater patience, confidence and steadfastness of purpose.

That this volume may assist in perpetuating the memory of the Pennsylvania Germans, and by its combination of fun and philosophy, peculiar to the language, correct the wrong and strengthen the right, to the end that it may stimulate noble thoughts and actions and lead to honor, success and happiness, is the earnest wish and prayer of the author.

ICH un de Polly sin em ledshta Soondawg owet nivver uff der Hawsa Barrick karrich-hofe galuffa. Ich wore nimmy druff g'west far tzæ yohr un'ich con dere sawga es hut mere so laid gadoo de socha sæna we se dart sin os ich gawiss far a wile nimmy gæ.

Du husht ols der oldt Billy Blotner gakent—em Sam Blotner si grose-dawdy? Husht net? Well, yader ebber wase wos far en gooter aldter drup or are wore. Nemand hut hoongers-note um ene room galidda so long os are galibed hut. Are hut en shæne boweri g'hot un duch is are om end derfun by em shreef ous-farkawfed warra usht wile are nemand nix refused hut so long os are ebbes g'hot hut far sich selver. Feel leit hen advantage ga-numma fun sine grossa hartz un hen eme socha ob-galoused bis are selver nix g'hot hut. Derno hut are si boweri gamorgaged tzu'm Sam Keisling. Der Sam wore anes fun sella grop-sicha si woo olsfart reddy lied mit a pawr hoonert dawler usht far so awremy oldte karls we der Bill in en eck greega. Es hut ene usht en yohr ganumma bis are em oldta Billy si bowery ga-agened hut, un se hen der oldt Billy uff's township gadoo.

Ich hob der oldt Billy uft p'soocht noach dem os are uff em township wore. Are hut olles aweck gevva g'hot except si hartz—un sell denk ich het are aweck gevva won's net tsu grose g'west ware far en ordinary mon. Oll de kinner in der nuchbershoft hen ene gakent un sin cooma ene p'soocha. Won ebber eme en shæner obbel gevva hut don hut are ene g'holda far de kinner, un won se cooma sin

We ich naixt cooma bin don hov ich g'sæna os es em Sam Keisling si grawb is. Der Sam hut em oldta Billy si boweri ob-galoused, awver are hut se net long enjoyed. Are wore en shalooer karl un hut ordlich geld by-annoner g'hot we are g'shtarva is. Are hut net selver g'shoft, awver won are an chance greeked hut on en awremer mon don hut are uff eme g'hucked we en bloot-sookler bis are olla cent g'hot hut. We are g'shtarva is hen se dri porra g'hot un de hen ene so weit nuch em himmel g'shova os se hen kenna mit da hend un derno hen se ene gapushed mit shtonga. Ich denk se hen ene nuff greeked, un won se net hen don hen se anyhow era hoonert dawler's shtick far-deened.

Der Sam hut now en monument os ivver en dowsend dawler gaksht hut—nine-un-ninetzich per cent. bloot-geld

Now, weller fun denna tswa mon denksht du os es arsht in der Himmel coomed? Well, den mon hov ich widder awgadruffa om oldta blotz uns naixt os ich g'wist hob hut are mich in sime keller g'hot om sider drinka. Ich hob der Polly farsprucha g'hot sober hame cooma, awver fun keller sin mer ins wartzhouse un we ich dort ni cooma bin don hov ich olles fargessa wæga bolidix un der Polly. Em wardt si fraw wore en oldt madel fun mina os ich ols gakkarraseered hob eb ich g'hired wore un mer sin gli gor weonerbawr confidential warra. Der wardt hut galocht un "yaw" g'sawd tsu olles, un es arsht os ich g'wist hob hov ich nix g'wist. De soon wore shunt unner un dreeva wolka sin uff g'shtiga gæga owet. Ich hob g'sæna os en gwidder raega uff coomed un ich bin nows un uff em oldta Sammy Sensawetzer si oldte shimmel marr gagroddled woo ich g'lained hob g'hot. Ich hob mich net recht balanca kenna

Ich hob tzae mile hame g'hot un dorrich en doonkler, weeshter wake. Ich bin om blotz farby woo amohl en Yudda peddler dote g'mauched is warra. Ich hob de idea gor net gaglich awwer ich hob en karicha leedle gapiffa far my shpunk uff holda. Es naixt bin ich om blotz farby woo der Bill Michelroyer sich g'henked hut. Es wore en wiser shtæ im fens-eck g'læga un ich hob amohl en notion g'hot room draya un net farby gæ. My hore hen my hoot so uff g'shova os are mere nimmy uff em kup gablivva is un ich hob ene in de hond g'numma. Gli huts awfonga dunnera un ei-shloga. Yaw, es wore so doonkel os in ma sock un olla mohl os es gawedderlaiched hut huv ich g'maned ich daid en gonse lot geisht sæna. Uff æ mohl bin ich um en eck room cooma in en doonkler bush. In der mit fun dem hov ich en grose fire g'sæna. Now, en soberer mon ware gor net naixt, awwer ich hob shpunk g'fossed un bin der-gæga garidda. Gli hov ich g'sæna os leit um's fire room donsa. Des wedderlæache hut mich so farblendt os ich net sæna hob kenna wos un ware es is. Endlich hov ich g'sæna os es oll weipsleit sin un de wora holver nockich. Ich bin of course grawd onna garidda so we evva en g'hireder mon daid. Es wore en hecka-push grawd far mer un se hen mich net sæna kenna. In ame eck wore ebber g'hucked un de gike g'shpeeled. Ich hob g'sæna os are harner uff em kup hut, glowa on da feese, un en longer scwontz mitera govvel draw. Uff ma dish in der mit fun da donser wore en mensha kup galæga, en shtrick woo en mon mit g'henked is warra, en blootich messer un en lawd. Wos oll des maned hov ich net wissa kenna. Uff æ mohl draid anes fun da weipsleit room un ich hob g'sæna os es de oldt Sis Shleggel is woo se g'henked hen far leit ferhexa. Es wore so farhoftich en hexa donse un der divel hut gagiked!

Bong? Well my hore hen nows g'shtonna os we keshta-eegla, my tzæ hen uf ammoner gaglebbert un my hartz hut gaboomt os ich bong wore se daida es hæra. Ich hob de marr om tziggel greeked far room draya. De minnutt os se sich farraged hut don, woopsh! wor's licht ous. Derno hedscht's awver hæra sulla dunnera! Dowsend mil-lune glebber masheena! Se sin ous em doonkla cooma os we eema ous ma koshta. De oldt marr hut sich ni g'lust far era beshtes. Oh, doo leever tsu-shtond! Het ich ust uff de Polly g'harriched! De hexa sin ols naixer un naixter uff cooma. Ich hob der marr tsu g'shprucha, for ich hob g'wist os mer boll onera brick sin un os hexa net ivver en wasser gæna. Endlich hov ich's wasser g'sæna un de naixt minnutt hen de blonka unich der oldta marr era feese gaglebbered. Ich wore nuch lavendch, Gud si donk, awver my hore wora mere oll fum kup g'senked un ich hob nuch shweffel garucha far a pawr dawg.

Es brauch mere nemand nix mæe ous-redda wæga hexa, un wile ich anyhow en hexa ducter bin mawksht du des drooka far de bñefit fun der cause. Du mawksht nuch unna draw shtata os my terms sin "Finf dawler de hex. 'Payment in advance. Satisfaction guaranteed or money refunded.'" Of course, du farshtæst de "refunding" bisniss.

ARE SCHWARED OB.

ICH hob feel compliments greeked uff my looks sidder dos ich dere my pickter g'shicked hob. De weipsleit sawga won ich uff-g'schmutzed ware we feel onera chaps daid ich gooka we en gentleman. Es hut de Polly woonebawr ga-bleased un se is grawd gonga un hut mere en pawr nia shtiffel ga-kawfed. Es wore net os ich se so shlim gabreich hob, awer se hut gamained es ware nuch ebbes ous mere tsu maucha won ich goot ga-glaid ware un daid uff mich ocht gevva. Des wart "ocht gevva" hut mer necht recht aw-g'shtonna, un ich hob net gawist wos se mained bis

shtart nemma set un en beevil aid nemma os ich im gonsa yohr nix mæ nemma set ous en Hullerheck sinera schwartze buttle. Ès hut mich about holver folsh gamaucht, for es is mer fore-cooma os se yusht so goot grawd rous cooma ware mit era maining os ich tsu uft selly buttle handle. Awer wile se so nice wore un hut mer de nia shtiffel gakawfed hov ich gadenked ich wet's nemma we's coomed. Ich hob's explained wie es is os ich tsu sawga nee nix drink ons Hullerhecka—anyhow nee net feel. Awer se hut mich draw erinnert we ich doh fergonga amohl hame cooma bin so shtarns foll os ich fergessa hob my hoot ob do we ich ins bet bin.

Well, tsu ledsht hov ich agreed mit der Polly, uff schwartz un weis mit shrives un my nawma dertsu g'signed, os ich in dem gonsa yohr nemohls ons Hullerhecka gæ except won un-g'fare ebber dart is os ich garn sæna will, odder won ebbes arbordich's fore gait, odder won's so happened os nix soonst fore gait doh om barrick os ame en chance gebt far awennich tzeit ferdriva. Ich hob aw agreed os ich im gonsa yohr kæ cent ous geb far licker odder beer, except won ich shmartzta im lieb hob, odder won my narfa ous tune sin, odder won mer ebbes soonst failed so os ich ebbes nemma mus for mich uff toona. Ich hob mer awer ous g'holta os won ebber um der waig is un lawfed on der baar far de drinks uff setza un sawgt, "Coom boova," os ich do con we ich will—es si lussa odder aw nuff shteppea un ebbes nemma, yust far my goote monneer uff holta.

Now, konsht denka, mus ich ordlich goot ocht gevva os ich my temperance pledge net farbrech. Ich bin den nummadawg aw grawd nuff ons Hullerhecka un hob's da karls dart g'sawd os ich now ob g'signed hob, un hob ena es bobbeer g'wissa. Don hut der Bill Bifflemoyer's loud galaisa, un se hen oll behawpt os mer ebbes failed, un os ich now aw grawd ebbes nemma set far my narfa uff toona.

Of course ich hob don aw anes ganumma, un der Hullerheck un oll de karls hen era opinion gevva os so en

DE DEITSCHA UN DE ENGLISHA.

DER onner dawg wore so en grum-bucklicher, flat-rib-bicher, long-oricher, ous-gadarter Yankee om barrick un hut de Polly der waik g'froght far nuch Schwinefordshtettle. Se hut eme ous-galaiked in Pennsylvawny Deitsch so goot os se hut kenna, derno hut are si gowl room gadraid un hut g'sawd, "Damn the Dutch." Are wore en Englischer un hut der Polly era Deitches net fershtonna, un des hut ene base gamaucht. Es wore goot g'west dos ich net dahame wore odder ich het amohl my nia shtiffel uff eme gabroveered.

De fact is, ich bin shtuls os ich Deitsch bin. Es mawk si os mere net gons so shmart sin os selly Yankees os tsu sawga nix tsu fressa hen os yusht grumbeera, shpeckshwarda, shwartz korn brote un fish. Awver for my dale, ich shtick tsu der goot oldt Deitsch Pennsylvawnish fashion. Ivverall woo mer onna gait con mer der unnershit sæna, eb de leit in der umgaigend English odder Deitsch schwetsa. Won mer in en nuchbershoft coomed woo's lond first-rate is, un grosse un shæna sheira, un goote pushtafense, un shæne fette uxa, un shmarte gile, un blendy hinkle uff em hofe os de oyer laiga, un shmarte wiver, un shæne maid un fette bublin, un woo de leit blendy fun beshta soch tsu essa hen—so soch os we es besht rinds flaish, waitsa brote un fosnocht koocha, frisher brooter un lod-warick, un sower-growd, un woo de leit so monneerlich sin os se ame eilawda for mit essa won mer by enna aw-rooft; in gaigenda fun sellera awrt schwetza de leit tsu sawga oll nix os es goot oldt Pennsylvawny Deitsch.

Now, gæ amohl in en Englishe nuchbershoft un sæ wees dart ous-gooked. De bowera hen era bleek un reaper drows im wedder shtæ fun yohr tsu yohr, de fensa drunna, der waitsa blockich, es fee mawger, shtinkicher

Un gæ amohl in de gross shtadt un roof aw on der jail un froke der shreef we feel deeb un onera rascal dart drin sin un are sawgt ordlich feel; don froke ene welle sort de majority hen, de Deitscha odder de Englisha, un ich bin goot derfore os are dere sawgt os de deeb un so karls tsu sawka oll English sin— un os yusht don un won en Deitscher ni coomed wæga bissly bodderation mit weipsleit.

Anyhow, ich shtick tsu'm goota oldta Deitscha wake, un geb en dihenker droom eb de farhungerda grudda-fresser mich un de Polly gleicha odder net.

TSWA-BANICHA SI.

HUSHT du in dime læva draw gadenked we feel sorta si os es in dara weldt hut? Won du net husht don luss mich dere sawga, es hut mæ si os ansich ebber denka daid. De si sin divide in tswæ glossa: De fier-banicha un de tswæ banicha. De fier banicha si hen de advantage ivver de tswæ banicha wile mer se fet maucha con un essa, awver de tswæ banich sow hut gor nix far se tsu recommenda. Du consht im sama shtettle woona far tswonsich yohr un net ousfinna os du olla dawg de shtrose lawfshed mitera sow bis du amohl en woch mit anes fun denna si im sama house woonsht. Ains fun denna si sin so sour os essich un so mean os dreck dahame—ba-usa era wiver un schlawga de kinner room—nemond greeked en goot ward fun ena, awver usht so g'shwint os se uff de shtrose shridda don hen se en blesseerlicher gook un yader ebber maned are is de goot shtoond. Ains fun de onera si sin de woo mæna de soon daid shina un de ræga folla usht arlæ far se. Se bada Gud aw olla dawg far sich selver un won se der wind un der ræga regulata kenta don daida se era boweri in en gorda draya un eram nuchber si lond in en woldt. So karl wara nee net meed

Der mon woo olsfart om wartzhouse lite un is ready for en drink nemnia awver hut nee ken geld fars selver uff-setza. Se fressa der doo-wock, schmoka de segara un drinka der whiskey os onera karls kawfa, un derno gæna se un bragga we feel reicher os se sin os we de karls woo olsfardt era geld om wartzhouse shpenda. Ich hob ken objections tsu ma mon os tsu feel fun sime geld denked fars sphenda far drom, awer derno set are net onner leit era geld helfa uff sowfa. En onery sart sow is de rigel-wake sow. En rigel-wake sow is en mon os entitled is tsu ame sits inera kar un derno shpraid are sich un si baggage ivver fier sitz un maucht de weipsleit shtæ won de kar foll is. So karls nemma generally olles os room g'hand wardt inera kar far essa, awver won se ebbes tsu fressa hen don doona sees ous em wake shoffa so shtill os en mowse. Won se om wartzhouse shtuppa don fressa se usht æ mohls dawgs, un wos se net in era si mawga lawda kenna doona se in de seck far der balance fun dawg. Nuch æ sort si un ich bin fardich, un sell is de sow woo olsfart es feddersht si will—woo ivver weipsleit un kinner nows groddled un draid se in der budda usht so os are si reesel forna draw hovva con. Es hut farleicht mæ fun denna si os fun anicha onera sort un es is uneglich far se fardilga. Education un refinement mauched se usht shlimmer un feel mæ g'farlich—wile en ga-polishde sow on feel bletz ni con woo en commoner borrick frish ous der ben net ni reecha dariff.

De fact is, en mon kent ken bessera dinshta do tsu sime lond os nous gæ si sheesa un se usht farfowla lussa we se de buffaloes uff em prairie g'lust hen.

ON DER 'NOGGERATION BALL.

Du mindsht noch ferleicht fun sellem oldta gowl woo dote gonga is em sexta November, 1888. Ich hob g'sawd de official luder-grobba data ene farrisa eb are recht dote ware. Won du by mere in Washingdon g'west wärsht dorrich de 'noggeration don kensht du en idea forma we feel luder-grobba dos es in denna United States hut. Washingdon hut g'schwarmed mit office seekers we de micka uff ma dota asel. De Polly wore mit nunner. Es wore es arsht mohl dos se ous America wore un es hut se wooner-bawr gableesed. Wile ich en kondadawt bin far de Hawsa Barrick pusht-office bin ich grawd ins Wise House ni. Der Harrison wore om karabet nunner nawgala in anes fun da shtoopu un ich bin uff galuffa tsu eme, my hond nows g'shtrecked un hob g'sawd, "We gates, Bench?" "Ware bisht du?" hut are g'sawt. Des hut mich base gamaucht, un ich hob g'sawt, "Coom mer mit so norrheita. Ich hob duch far dich g'shtimmed, now kent mich nemond mä noach dem dos eer ketzer my shtim het." Derno hov ich mich uff g'shtrecked tsu minera fulla leng un hob g'sawd, "Ich bin der Boonastiel fum Hawsa Barrick!" Der shtrain hut mere en gallus-knup ob garrissa un ich hob hinere galongt far ene greega. Der Harrison hut gamaned ich date far en pishtole longa un en mon mit bloa glaider un gaila knep hut mich nows g'feared. Won der Billy Bixler by mere g'west ware don het's en fuss gevva, awver ich un de Polly wora læ un se kon net feel do except mit eram mowl. Ich glawb ferleicht duch net os es der Bench selver wore. Won ich shure ware don date ich eme si gons kocha won are widder rous coomed far Bresident.

Ei, es wore miner sale on shont mit era low-neck gowns. De hoongericha bublin hen ivveroll room awfonga heila. Ich wore usht in trim far de gons ferdihenkert administration garava. De moosic wore g'furnished by em Simmy Roush sime flying-horse orchestra. Der Quay un der John Wanamaker hen gagiked, un der Dan Hastings hut de boss drum gablosa. Unser Jury Commissioner hut ob-garoofta, un es hut mere ols recht hame-wæ g'maucht ene ivver oll de yocht hara greisha, "Salute your p-pa-pa—ardner," "b-b-b-alance all," "swing your p-pard-pardner." My gross-fodder hut miner g'wora om General Jackson sinera 'noggeration. Se hen cider gadrunka dos finf dawler de buddla wore. Se hen's shampaginy wasser g'hæsa. Der "sham" wore im mawga, un der "pain" is cooma won mer uff g'sobered is.

Ich hob de 'noggeration bully enjoyed. Washington is en grosse shtodt, awver far ruich læve un sailich shtarva geb mere un der Polly nuch unser oldte schwarada shandy om Hawsa Barrick.

TSU FEEL LEIT.

MER hærd ols de leit sawga es wara tsu feel leit in unseram weldt dale. Se kenna shier nimme oll doh læva, mer set fort gæ, he woo's net so feel leit het. De woreheit is awver, os we de weldt ei-gericht is, huts net holver leit ganunk—mer mawk he gooka woo mer will fahla leit. Es hut net ganunk monsleit, net ganunk weipsleit, net ganunk maid un net ganunk boova. Gæ dorich de shtodt un dorich de shtettle un du warsht sæna dos ivverall leit fahle. De shtora sin foll goods un de shtore-keeper hucka de helft fun der tzeit derby mit nix tsu do os worda far de customers cooma un era goods kawfa. Oll de wardt im gonsa lond hetta garn a pawr dowsend customers mæ far era schnopps

Des is en deitliche bawise dos es net holver ganunk leit gebt.

Awver don gebts widder feel bletz os mer mained de weldt het gons un gor tsu feel mensha un mer muss sich watcha os se em net de ribba ni renna un em dote draida. Gæ amohl on bletz woo feel tsu fressa un tsu sowfa is far nix, dart fint mer olsfart en grosse crowd—olles is lavendich un gooked we en grosser eema-schwarm usht net so decent un so orndlich.

Gæ amohl on bolidix conventions woo a pawr empter ous gadaled wara, odder woo en blotz uff is far en appointment, woo mer geld grobsha con, awenich shtaila un awenich rawva mid ous in de jail cooma, dart sin olsfart tsu feel leit. Ich hob dri dawler batzawlt far de tickets, un es hut mich tswisha finf un sex dawler gakusht ons Hullerhecka om 'leckshon dawg. Un olles is recht gonga so weit. Don hen se de tickets ga-tzæled, un we feel denksht nows os far mich g'shtimmed hen? Doh sin de tsiffera:

Bis du widder fun mere hælrshht sin de Grishdawg ferby. Ivverall woo mer hærdt sin se om reddy greega far Grishdawgs Bame un Festivals. Consht du nuch tsurick denka

Vos wora mere ols so goot g'satisfied mit unseram Grishkindle. Won der Bellsnickle ols room cooma is don het ich mere de howd fum buckle hocka lussa far en hond-foll grundniss. Sell wore in da goota oldta tzeida woo der Pope g'sawt hut:

DE SHTORY FUM RIP VAN WINKLE.

DE Grishdawg om Barrick wora shtill, awver es hut shier yaders en Grishk'indle greeked. Ich hob my shtrump on der shonshta g'henked, un morgets we ich uff g'shtonna bin wore ebbes tzu'm luch rows g'shtucka om farshta, un wos denksht du os es wore? Du kensht es gor net rhoda. Es wore en booch fun ma oldta karl woo olls tsu feel "keffer-bree" ga-drunka hut un is amohl uff em barrick ei-g'shlofa un is net wocker warra far tswon-sich yohr. Si nawma wore "Rip Van Winkle." Fonna im booch wore ni g'shrivva: "Kumblaments of Polly." Now, de Polly is en shaloo oldts weipsmensch, un ich glawb os se es ga-doo hut far mere der ob-shei gevva fun licker. De shtory fum booch is des:

Der oldt Rip hut net ga-glicha tsu shoffa, un is uhst room ga-læga on da wartz-heiser un hut licker ga drunka.

Si frow hut Gretchen g'hæsa, un se hut olls weshes ei ganumma far de house-holding enara. Se wore en shmardy fraw, awver hut en grosser tzarn g'hot. Der oldt Rip hut en hooned g'hot by en nawma "Schneider." un won der oldt Rip net om wartz-house ga-læga hut don wore are om barrick room ga-luffa mit sinera b'x un em "Schneider." Duch hut are in seim læva nix g'shussa os we æ mohl hut are ma nuchber si bull g'shussa by mistake. Are wore en freindlicher oldter karl un hut olls de kinner im shtettle uff da oxla room ga-drawga, awver sell hut duch ken brode-wærshyt ins house ga-brucht. Endlich is es der Gretchen tsu hardt cooma un æ nocht os en hardter gwidder ræga om himmel wore is are widder g'suffa hame cooma usht far em shtorrem, un es hut de Gretchen so fartzarndt os se de deer uff ga-maucht hut un hut g'sawt: "Now hov ich usht long ga-nunk g'shtand. Nows mit der, Rip, un coom mere in dime læve nimmy far de awga!"

Es hut ga-dunnered un ga-wedderlæched so os der Schneider unich der uffa g'schlooped is. Der ræga is runner cooma by da kivvel-foll, un der Rip is room ga-draid tsu der Gretchen un hut g'sawd: "Net so en noch we de. Es is yo tsu weesht far en hoond drows tsu si."

"Nows mit dere," hut de Gretchen g'sawd, "ich will dich nimmy sæna."

"Good-bye, Rip, good-bye, Meney," hut der oldt Rip tsu sime glæna boo un maidel g'sawd. Derno hut are si bix greeked un is on der uffa un hut g'sawd, "Coom Schneider."

Are un der Schneider sin nows un awfonga om barrick nuff groddla. Der wind un der ræga hen ene olls shier um ga-blosa un derno hut's olls widder es wedderlæcha ene so farblent os are net g'wist hut woo are he lawfed. Gli hut are ebber om barrick druvva hara roofa:

Endlich sæd are im wedderlæcha en glæ menly om barrick nuff groddla mit ma fessly uff der oxel. We des glæ menly der oldt Rip g’sæna hut don hut’s es fessly he g’shtelt un hut ga-motioned tzu’im Rip os are set’s der barrick nuff drawga. Der Rip hut es fessly uff de oxel, si bix in de onner hond un is der barrick nuff g’shtart—es glæ menly fonna hare un der Schneider hinna noach mit em schwontz tswisha de bæ ga-petzed. Ols un ols om barrick nuff, don bletzlich fongts widder frish ni aw dunnera, un uff æ mohl cooma se uff en longe bonk fum barrick, un doh shtæna en gons dutzent so glæna menner un rulla grosse bolla naiva om barrick nows. We se der Rip g’sæna hen don hen se oll eme de tzeit ga-budda. Der Rip hut g’sawt, “Good novet. Des is en weeshte nocht.” Se hen ene oll aw-ga-gooked un hen era kep ga-nooked, awver ken’s hut ebbes g’sawt. Se hen motions tsu em Rip ga-mauched os are set si fessly onna shtella, un derno hut anes fun da glæna menner der shpoonda ni g’schloga, un se hen der licker rows g’shit in ma blech. We se oll room ga-drunka hen g’hot don hen se em Rip en blech-foll onna ga-longt, awver der Rip hut’s aweck g’shtelt un hut g’sawt are het ob-g’schwora uff “keffer-bree.” Now, der Rip wore gor woonebawr dorshtich un het ebbes hovva sulla far si mawga uff toona awver are hut da glæna ketzer net ga-drowed. Se hen awver druff insist os are anes nembt, un are hut awfonga schwetza—hut se g’frogt ware se warra un woo se hare cooma daida. Se hen usht de kep ga-nucked, hen nix g’schwetzed awver hen druff insist os are en jigger ous em fessly nembt.

“Næ,” hut der Rip g’sawd, “Ich hob ob-g’schwora. Ich drink nimmy.”

Derno hut anes fun da glæna karls ga-mauched os won are es tsurick shidda wet ins fessly un sell wore tsu feel far der Rip un are hut g'sawd:

Der Rip is ei-g'shlofa noch dem os are selly keffer-bree ga-drunka hut. Far tswonsich yohr hut nemond em olda Rip si bix hara sholla ivver em hawsa hoonda. Ae morga is are wocker worra. De feigel hen uff da bame g'sunga um ene room. "I," hut are g'sawt, "hov ich don de gons nocht g'shlofa? Now shelt widder de Gretchen we olla dihenker." Derno hut are roomi gagooked far der Schneider. Are wore fart. Si bix wore naivich eme galæga olles farrusht un holver fowl. Si glæder hen fun eme g'hunka in tzuddla. "Now," hut are g'sawt, "hen de glæna ketzer my glæder un my Schneider g'shtola, un hen my goote bix farhondled uff en schlechte." Are hut uff shtæ wella, owver si bæ wora so shtife os are se net beega hut kenna. "Ah," hut are g'sawt, "de gons nocht uff em barrick schlofa hut mere de rumadix gevva." Endlich is are don uff cooma un mit sime bixa-lawf far en shtuck is are der barrick nunner g'shtart. We are ins arsht shtettle cooma is sin de kinner eme noach un hen ene gatzarred. De oldta leit sin ous da heiser cooma un hen era bawrd g'shtricha. Des hut der Rip gooka maucha un don hut are g'sæna os si bawrd en foos long wore un so wise os schnæ. Are hut nemond ga-kent, un de hoond, woo are ga-maned hut os oll si freind wara, hen noach eme ga-goutzed. Endlich coomed are don ins shtettle, un is aw grawd gonga far ons wartz-house. Es oldt wartz-house wore aweck ga-rissa un en grose ni ga-bi wore in sime blotz. De leit sin um ene room un hen ene g'frott ware are ware un wos are wet.

“Yaw,” sawkt der Rip, “ich wase net. Des is olles frem tsu mere. Geshter ovet hut de Gretchen mich nows ga-drivva in oll sellem ræga shtarrem un ich bin uff der barrick un hob mich farshlofa. Kent anich ebber der Rip Van Winkle?”

Es shlimsht is, se schwetzed nimmy tsu mere. Der onner dawg wore se nivver ons Sam Schnitzler's un ich bin on en lane woo se farby hut missa uff em hame wake un hob mich of de fense g'hucked. Ich hob gatzaled se daid mich farleicht froga far mit hame gæ wile se g'sæna hut os ich kold bin un hungerich far era goota welsh-karn koocha, owver we se on mere farby is hut se grawd on der naws nows gagooked un fart os won der hoond se ga-bissa het. Ich hob g'hooshed os won ich's kold het so os se wissa kent os ich my brusht g'schmeared hova set mit fet, awver even sell hut se net era awga fun der bawn nemma maucha. Now, so ebbes is hardt. Es hut ebbes gevva sidder os ich der ledsht brief g'shrivva hob, un ich un de Polly sin widder so dick os we tswæ buslin uff ma hæse bocka-shtæ. Es is oll room cooma om Bill Bifflemoyer sinera ga-butts-dawg pardy em ledshta Dundershdawg owet. Du husht, denk ich, shunt g'hærd os mæ os æ wake is far en hoond farwarixa except mit budder. Well, ich hob onera taktics ga-used uff der Polly un se hut ga-bissa we en oldte farrel won se nuchera g'schmase mick joomped. Ich bin owvets on de pardy. Derno hut se suggest os mere daida awenich nei gæ uff unseram hame-wake.

Now, si læva hut ken general en campaign besser ga-blanned g'hot far en shtodt nemma os de Polly hut far my hartz nemma. Het se es usht g'wist—se hut's de gons tzeit g'hot. Mere sin hame g'shtart, awver es wore ken tzeit far ons Billy Bixler's shtuppa. In fact, es hut kens fun uns mæ ons Billy's ga-denked.

DER BUSH HOOND UN DER CITY HOOND.

Es sind amohl tswæ hoond tzomma cooma im shtettle. Der aned hut en messich holls-bond g'wora, hut shæna hore g'hot un wore so monneerlich os en mensch. Are wore en city hoond awver hut sich net besser ga-dinked os si nuchbera hoond woo uff der boweri uff-ga-tzoga sin warra. Der onner hoond wore en shepherd un wore ous em bush. Are hut en fershtenich g'sicht g'hot, wore goot ga-bowed un wore en grosse hilf uff der boweri far hetsa un helfa's fee heeda. We se tzomma cooma sin hen se wennich on 'nonner room g'schnunseled, on 'nonner nuff ga-joomped, un endlich sin se mit 'nonner naiva nows ga-drulled un sich uff en wausem bank g'hucked. Der City hoond hut der country hoond awennich aw-ga-gooked don hut are aw-fonga schwetza:

“My lieber freind, es hut mich shunt uft ga-woonered we de leit es maucha im lond. In der city shtæna mere uff won mere wella, hen lot dinsht leit os oll de arawet doona, essa oll es goot soch os de leit im lond raisa un bringa uff der morrick, un won unser ei-coomas tsu wennich wardt don doona mere usht a pawr cent uff der tzooker odder koffee, odder kardoo, un de leit ous em lond woo de socha kawfa missa, mauche widder olles æva. Moral: Tsu feel rue mauched un-rue.

BY DA SOLDAWDA.

Ich wore der onnēr dawg drunna om encampment on Shikillimy, un es hut mich ons badolya ga-mauned woo mere ols g'hot hen far em greek. Mindsht du nuch we far-ichderlich os de soldawda ga-gooked hen ivver em exitzeera un wos duch de officers uff weedlicha gile room ga-ridda sin, mit grosse wisa giles-schwentz uff era heet un reff-sensa far dæga! Ich hob ols g'mained anes fun sella grossa officers kenta en gonse ous-lendishe armæ leddera—so risend hen se ga-gooked. Un de soldawda hen grosse flinda g'hot mit grosse grumma bomanetta draw. Mer hut g'wiss g'mained os won greek ous-brecha set don daida de en breckfesht maucha ousera gonsa armæ. De officers sin ols naiva nows ga-ridda un mer hut g'mained der freedda fun unserem gonsa lond daid henka uff wos os se now schwetza—un duch is nix lose ga-brucha os der korricks funera g'ward buddle os aner fun ena in sina sad-del-bags g'hot hut. Mindsht du nuch we g'schwint os es exitzeera g'shtupped hut we der greek ous ga-brucha is? De grossa officers hen era giles-schwentz fun da heet un sin unnich de dish g'shlooped. Se hens marrick ollamohl dreffa kenna mitera gward buddle, awver mit bulfer un bli hen se net fechta wella, un de oldta soldawda woo ols in line g'shtelt sin warra mit da grossa reff-sense dæga hen net mæ larna wella wæga greek. Won aner en grosser drom drinka hut kenna un en grosser bully si don hen de leit g'mained are daid en woonerbawrer soldawdt maucha, un selly wora de arshta os sich de finger odder dowma ob g'hocked hen far draft-fry warra.

Un so is mer evva aw-g'feered mit da looks fun socha. We der greek ous ga-brucha is huts badolya g'shtupped, un history hut es hero-worshippa aw-g'fonga. De boova woo de koogla g'shtupped hen sin net feel ga-mentioned warra, un feel fun ena shlofa heit unich ma shtæ os "unknown" ga-marricked, is, wile de officers woo ga-nunk g'wist hen far sich ous g'fore holda, sin oldt g'shtarava.

Duch sæned mer in da picter-bicher fum greek os de generals in bletz room ga-ridda sin woꝝ de canoona koogla so dick ga-lega hen os kærribsa in ma welsh-karn feldt, un duch wors net uft os aner wæ ga-doo is warra. Won aner fun ena endlich g'shtarava is don hut si widfraw finf dowsend dawler pension es johr ga-vote greeked by Congress usht os won's era æga geld ware, un de awrem widfraw fum a private, mit era tzwelf kinner, hut ocht odder tzwelf dawler greeked der moonet.

Ich hob en oldter shriner ga-kennt os ølls g'sagt hut, "Der doch-shtool bringed olles on der blotz." Ich doubt eb der "doch shtool" olles æva mauchet im greek. Won en officer g'suffa is warra un pawr dowsend soldawda unadich dote maucha hut lussa don is are politely g'froggt warra far resigna. Won en private ous ga-wora wore un is ei-g'shlofa uff gærd don hen se ene g'shussa odder ins gærd-house g'sheckt bis der naixt battle un derno ene rous galust far fonna hare gæ un de rebel ranks brecha. Won are umm cooma is don hut nemond en monument erect tsu eme—awver si dote hut usht so en grose luch gamauchet dahame in sinera house-holdting os der græsht general in der armæ.

De fact is, æ doter mon mauched usht so feel shtawb os der onner, un about fartzich per cent. fun unseram patriotism un show sin fowla fish.

DER GOOT FREIND.

En gooter freind! Husht du in dime læva draw gadenked we rawr os se sin? Ès hut lots fun leits os di freind sin so long os se dich usa kenna, awver won se dich amohl ous g'used hen don shmisa se dich in der grawva we en ous-g'sookelde lemon. De weldt is foll so freind. Selly sart leit wissa olles os gæga dich is, un won ebbes letz gait mit dinera freindshoft odder mit dere selver don doona se es room peddla os we der gretz so yader ebber ese fongt, un olla mohl os se es fartzæla warts græser bis se endlich en elefont ous'ra mouse ga-mached hen. "Du musht awver nix sawga," is era shrprich wordt. Se wella es sawga oll selver do. Derno won ebbes gootes in dinera house-holdting odder in dinera friendshoft happened don sawga se ken wordt awver wardta bis ebber's ena fartzaled. Derno sawga se: "O, yaw; ich hob sell aw g'hared awver mer muss evva allowance maucha far de woreheit. Ich, amohl farains, glawbs net," un bis se fardich sin mit der case hen se en elefont so glæ os en mouse. Du waisht fun so leit. Ware doot net? Era græshter concern is far de goota leit drunna holdta so os yo nemand feel fun ena denked odder era ageny reputation is on shtake. De lingen un heichler sin drunna—se wissa's—un se wella nemand in der nuchbershoft hovva os mæ derfun ga-denked is os se selver, un de result is os se era ageny bisniss far-sima un farleera uft geld wile se usht room hucka missa un watcha far de leit os era kep ous em dreck hæva woo se selver drin sin. So leit sin we grebsa. Se fonga era bait un derno backa se unich en shtæ un fardrenna's im doonkla. Se drowa sich selver net—un dohare drowa se nemand shunsht. Se mæna se hetta feel freind, awver won se in de note cooma un froga far hilf don joompa selly freind ous-anonner we flæ in ma sei-shtoll.

Ich bin kens fun denna karls os mæna es het gor ken goote freind mæ in der weldt. Es hut se, awver ich bahawb se sin rawr. Der goot freind doot grawd es gæga-dale fun denna woo ich derfun g'schwetzed hob. Are sawgt de goota socha wæga dere won du se net hærsht, un won are findt os du letz bisht don coomed are tsu dere we en mon un sawgt dere's ins g'sicht. En freind os by dere shtaid won are wase os du letz gaisht doot dere grosser

Der goot freind is der arsht os nei coomed won amohl de gons weldt nows gonga is, un won du so aner finsht don bin ene on dich mit eisna benner, far du consht en tzæa-ocker feldt fon karls finna os dere der belly-guts uff der worriff-showfel he hæva bis du ainer finsht os dere en sock foll wætza on di hinnery dere shtelt de wile os du shlofsht.

PART II.

DE COLLEGE BOOVA.

We mere ols in de shool gonga sin wore's far-shtonna os mere net usht shool lærning greeked hen awver aw awenich farshtond mit ei-g'numma. Es is nimmy so heitza-dawgs. Now, es arsht os de professor in unsera colleges wissa wella is we wide os mer joompa con, we good os mer bolla shpeela con, un we long os mer si hore woxa con lussa eb mer blind wærdt. De arsht lesson os mer derno greeked is lærna der "college yell" gevva, un es naixt os mer wase doot der boo shtæ-mit em movl uff we en omshel un greished we en Holenner :

"Zip! Bang! Boom!
 'Rah! 'Rah! 'Rah!
 Hinkle Tzæ un Reeva Blude,
 Grudda Hore un Dowva Millich.
 Epsilonum, Boof!"

un oll so dihenkersa norrheita os nemonde wase wos es is, awver yader ebber farshtæd os der boo shunt nei g'shtart is far en farflommpts kolb fun sich maucha. De leit gooka tsu un sawga, "De boova saya era wilder hovver," awver der druvvel es se saya der hovver so deaf os are farfowled im budda. Won se derno en holb yohr fun hame sin hen se olles galærndt os so rutsnawsa wissa kenna wæga reshpectfully leit unsulta, un se mæna es ware shmardt far awrmy u-shuldiche maid blackgarda wæga era dressa, un oldte leit b'shimpa wæga era doomheit. Se shmoka oll grosse pifa wile sell se gooka maucht we toughs, un won se in de kars cooma don muss yaders tswæ sitz tsu sich selver hovva won shunt meede oldte wiver im gong shtæ missa un bublin hæva. Now, sawg mere amohl, doona se de socha lærna in era shool bicher? Won se doona, ware's net en gooder blan en collection uff nemma far ena nia bicher kawfa os aw awenich ebbes sawga wæga we mer sich badrawga set in

Se explaina de socha mit em argument os se mista exercise hovva. Far-moodilch. Awver farwass sæga se net huls un bowa pushta fense. Awver sell ware g'shoft, un shoffa-is gæga de rule.

Awver des is net de rule by de boova arlæ. Gook amohl on unser maid. Yohra tzurick hen se ols lærna bocka un bigla, un shtricka und wesha. Now missa se hem-shticha, embroidera, ruffla un flounsa maucha os em usht net warem holdt awver sin en farflompte nuisance. Won se hira don missa se grawd en mawd hovva—so gor tswæ—aney far de arawet do un de onner far uff se ocht gevva. Won der mon net en bank hut don muss are de naws uff em shlife-shtæ hovva bis se tsu der conclusion coomed os se en mon g'hired hut os se net enara con un derno gæds on de divorce court un der deivel locht si feisht full we en pudding os are hut.

Unner denna conditions daid ich suggesta os oll de colleges en post-graduate course uff graichta far de shtudents farshtond lærna won se 'mohl olles wissa os se in da colleges lærna kenna, un de idea hut sich suggest tsu mere der onner dawg we der Sammy Mulbarger hame cooma is fun der college. Are wore ols en aw-g'namer younger mon, awver de college hut si kup so full lærning g'maucht os ken blotz mæ wore far farshtond, un es arsht os are gadoo hut wore si dawdy retza wile are net recht English schwetza con, un der mommy sawga os are sich shemma daid si college chums cooma lussa ene sæna wile de gons nuchbershoft tsu doom ware. Are hut oll si mail fun Schweffletown greeked, tswæ mile ob, wile are g'sawd hut de Hawsa Barrick pusht-office ware tsu "insignificant." Are hut de boova nimmy gakent os mit eme uff ga-woxa sin un Soondawgs

DE U-FARSHTENICHA FASHIONS.

Es is mere shunt edlich mohl ei-cooma far dere en breek shriva uff de u-farshtenicha fashions, un won ich ols recht draw denk don mus ich admitta os se duch net so outlandish sin os se ols wora. Ich un de Polly hen usht der onner owet derfun g'schwetzed. Mer wora

ons Yuckel Hawnayarricks un se hen an gwilding g'hot. Doh wora yunge un oldte by anonner, un ich hob feel socha g'sæna os mere net aw-g'shtonna hen. 'Mohls arsht wore der Jeckey Hetzel, woo usht fun der college hame cooma is. Des barshtly hut der shadle grawd uff der mit fun sime kup g'hot, un hut derno si longe hore ivver de shtarn nunner ga-paste. We are hands g'shaked hut mit der Polly hut are usht holdt g'numma on da end fun era finger, era hond nuff en level mit sime foosichera bawrd g'hova un derno g'shiddled os we en shiplly si schwontz. We are mere si hond onna g'shtrecked hut hov ich se eme g'schnarred os are shier uff de gnee g'folla is. Ich hob noach-derhond ous g'funna os sell der society hand shake is. Si schwester wore aw dart un de hut en dress aw g'hot mit ma waist os era shier nunner on de gnee g'hunka hut. Ich hob g'froggt wos sell mæned un se hen g'sawd sell ware wos mer der "long effect" hæsa daid. Ich wase net we se era jacket so nunner henka hut kenna maucha oony es wore en biegele-eisa draw ga-bunna. De monsleit wora aw bout shæ aw ga-do. De Molly Hetzel wore dart mit eram mon woo fun Massachudes coomed. De Molly is dri-un-tswonsich yohr oldt un era mon es dri-un-sechtzich. Se hut ene g'hired far si geld un we se den oldta karl uff g'fixed hut g'hot hedsht usht sæna sulla. Hoche Monroe shoe, celluloid cuffs os mer en rood ob reecha hut kenna, un en collar so hoach os are net drivver nows shpoutsä het kenna. Se hut hovva wella are set yung gooka un are hut en boga-hols gamaucht we so en oldter gowl won mer ene recht hardt uff-rained far farhondla.

Un duch sin de socha net so schlim os se wora far yohra tzurick. Mindsht du nuch we de grossa hoops in fashion cooma sin? Ei, wos shondloshiche socha wora sell! Ae hoop-skirt un æ brader hussa-lotz wore oll os in æ karicha sitz hut kenna. Un selly wora nuch net ous shtile bis der bussel ei-cooma is. Mindsht du nuch we ols de weipsleit room g'luffa sin un en ga-pulshter noach g'shlaifed we en yarich kolb? No hen se sich gor nimmy

Won mer on en infair gonga is hut mere der nia fraw en bresent g'mauched fun ma hame-gamauchta dish-dooch odder en blechene shissel. Es naixt wore chinaware, un now wærdt mer shep aw-ga-gooked won mer net en shtick silver bringt.

Awver ich bin shier gor fun minera subject cooma. Ich hob g'sawd ich wet uff shtyles shriva, un won ich draw denk sin de monsleit usht so narrish os de weipsleit. Em ledshta yohr wore's shtyle en kartzer ivver-ruck wara—des yohr en longer. Ledsht yohr hen oll de menner en cady hoot g'wora—des yohr en ei-gadubbleder hoot mit ma braida roneft. Ae yohr sin de hussa eng un es naixt wide, æ yohr shtæna de kollar uff un es naixt yohr lia se ivver, æ yohr de jacket hoach un es naixt yohr nidder. Es same ding is by da weipsleit. Ae yohr hen se feddera uff da heet un es naixt yohr blooma, æ yohr hen se lose armel un es naixt yohr tigha, æ yohr wæra se era gons long un es naixt yohr kortz, un wos se shunsht farwexla daref mer net derfun schwetza—awver mer findt's ous won's bill ei-coomed.

Un farwass sin de soocha? Well, es sin olsfart en certain lot norra oonich so feel menscha un wile's en oldt shprich-wordt is os "æ norr maucht en hoonert," don nembts net long biss oll de weldt narrich is except soiche os ken geld hen—un selly sin holver narrich wile se net aw noach maucha kenna.

Ich bin der onner owet funs Hullerhecka hame un wore awenich im boox, don hov ich de Becky Bixler aw ga-druffa. Se hut mich g'froggt far mit gæ un en fremmer mon hara uff temperance schwetza. Ich hob mich hinna in de karrich g'setzed un gli hov ich ebber hara awfonga blowdera. Ich hob es arsht g'maned es ware outside, bis endlich hov ich ous g'funna os es der mon is os de lecture gevva hut sulla, awver ich het usht so goot in der bush nei ga-gooked. Es wora oll weipsleit far mere un yader hut en hoot aw g'hot about en yord brade un dri foos hoach. Shtyle? Of course,

awver ich hob usht gadenked won oll de weipsleit holver so feel grish-dadoom im hartz hetta os feddera uff da heet don breicht nemond mæ shtarva far in der himmel gæ.

Of course, won oll de leit wara we ich un de Polly don daida feel hondwaricksleit farhungera. De millners mista ons brode-bocka, de dress-makers ons wesha, de schneider ons huls hocka un de onera blude-soockler ons misht shpraya. Ae soot glæder far olla dawg im yohr, en warmer uffa, en waich bed, en leeve fraw un en schwartze buddle oonich em kee droke is my harlichkeit bis in de avichkeit—aw-men.

EN JURY-MON.

DE ledsht wuch wore ich in der shtodt un hob uff der jury g'hucked. Ès is mere so holver fore cooma os won ich now aw g'sæna ware os anes fun da hawpt menner im county, nuch gor en gentlemon, far sel is wos der lawyer ivver un ivver bahawbt hut we are si speech ga-maucht hut—"gentlemon uff der jury" hut are mainer os en dutzent mohl g'sawt un olla mohl hut are mere grawd ins g'sicht ni ga-gooked, un sel broofts os are mich selver considered hut ols der hawbt gentlemon.

Un won ich's aw selver sawga muss, won mer des ding considered bin ich aw entitled tsu'm nawma gentlemon. Wos is en gentlemon, anyhow? Èi, en mon os wase we mer si læva maucht oony hardt shoffa. Aner os shoft we der awrem Johnny Honnabarger is yusht en commoner dawg-lenner. Der Hullerheck is en wærdt awver ken gentlemon. Der Billy Bifflemoyer doot olla sort bisniss aw-driva—gile hondla, hinkle peddla, un onner soch, un doh-room is are aw ken gentlemon. We es is mit em Porra Mohler wase ich shier net, far are mus evva tsu sinera kar-richa bisniss tenda far en læva maucha, un es dinked mich are is yusht anes fun da wucha-dawgs gentlemenner un Soondawgs dawg-lenner, wile are si læva fardeened Soon-dawgs won onner leit in de karrich gæna.

Awver ich bin der ainsicht mon os nee nix shoft far si læva fardeena. De Polly agened es house, un de koo, un dri ocker lond, un hut nuch oll's arbshoft geld uff indressa os se fun eram dawdy greeked hut, un se gait uftmohls in de shtodt uff der marrick un farkawft booder, oyer, schnitz, shtinkkase, boona un shier anich ebbes os se raisa con, un se maucht unser læva, un ich hob gor ken bodderation wæga shoffa, odder bisniss, un hob blendy tzeit far ons Hullehecka uff der borch hucka un worda bis ols anes fun da polititioner ous der shtodt rous coomed un setzed de "jiggers" uff, un don nem ich's ols shtrait ous der schwartzza buddle. Doh-room bin ich der gentlemon fum barrick. Ken wooner os se nich uff de jury ga-doo hen, un ken wooner os seller lawyer mere ols grawd in de awga ni ga-gooked hut olla mohl os are "gentlemon uff der jury" g'sawt hut.

Sel wor aw en ordliche goode case os se ga-broveered hen. So we ich es farshtonna hob wor der defender en karl fun Doodletown un se hen ene ga-dite far a pawr shtraifiche husa shtæla. Der shtate lawyer hut en shpeech ga-maucht, und dri tzeiga uff ga-roofa, ainer noach em onnera, un yader hut en beevel aid schwæra missa os are de woreheit sawgt, un yader hut g'schwora os are es g'sæna hut we der defender de husa g'shtola hut. Well, derno hut der onner lawyer en shpeech ga-maucht, un are hut fier tzeiga uff ga-roofa—oll Doodletowner, un yaders hut g'shwora os are der defender net g'sæna hut de husa shtæla. Don hen de lawyer widder shpeecha ga-maucht un hen uftmohls der gentlemon uff der jury ga-nened, un sell, we g'sawt, wor wos mer en allusion haist—tsu mere selver. Don hut der judge aw si soch g'sawt un hut aw net der gentlemon uff der jury fargessa, un hut uns tsu farshtæ gevva os mere des ding decida setta according tsu'm g'wicht fum evidence. Well, we mer by-nonner wora wore de question we mere des ding decida. Dri tzeiga hen g'shwora os se der defender sana hen de husa shtæla, un fier hen g'shwora os se gor nix so g'sæna hen, un wile fier tzeiga besser sin os dri, hen mere decide according tsu'm g'wicht fum evidence un hen

agreed uff "not guilty" un os der Doodletown kunshtawbler de u-kushta un aw de hussa batzawla muss. Un des brooft os mer sich aw uff en jury farlussa con won anyhow anes fun ena en gentleman is.

POLITICS UN DE KARRICHA.

ICH un de Polly sin der onner owet nivver ons Billy Bixler's un we mere wile dart wora is de subject fun politics uff cooma. Der Billy hut behawbt es kent nemond mæ arlich si os in politics gæd, un sell hut de subject uff ga-brucht. "Was maucht politicianer u-arlich?" De Polly hut druff insist os de leit wara nimmy so arlich os se ols wora un sell ware de shult os nemond mæ in office gadoo kent wara os arlich is. Em Bixler si fraw hut ga-maned es ware wile mæ tsu shtæla ware now os es ols gawest ware, un de Billy hut der nawgle centre uff der kup ga-druffa we are g'sawd hut os de leit daida de politicianer u-arlich maucha.

Ich hob g'sawd, du bisht recht, Billy, un de weipsleit helfa de bisniss do. Se sin shlimmer os de monsleit far leit in office farfera. Won en karrich ga-bowed si sull don cooma se room mit era glæna bicher un der arshet mon os se tackla far finf dawler is der mon woo house is far office, un won are's net grāwd nunner chalked don sawga se are ware tsu geitzich un won se en shtim hetta don daid are se gawiss net greega. Era mon hærd des, un wile are shunt glawbed os der kondadawt en arlicher mon is, won's on de 'leckshon gæd don shtimmed are far der karl woo sinera fraw finf dawler uffs bichley hut, un won are wase os der same karl nix gebt tsu goode socha except won are house is far office. Der arlich kondadawt sæd des, un es naixt mohl os are rous coomed far office don maucht are si mind uff os mer divel ferchta muss mit fire, un are shpend oll es geld os are hut un won are elect is don muss are shtæla far æva cooma.

Ich wore em ledsht shpote-yohr onera karricha fair. Es wore usht in der campaign. Es wora about en dutz-

Yader kondadawt hut es mensht gelt nows do wella, un de weipsleit sin um se room we micka um en malossich barl. Derno hen se neck-ties farkawfed Yader neck-tie hut der nawma fun ma weips-mensch druff g'hot un sell weipsmensch wore em mon si pardner woo era necktie ga-kawft hut. Es hut dale boomer-awlish goot g'suit un dale wora no niet so goot ga-bleased. De Sall Yudder, woo shunt dri hoof-eisa farlora hut, hut der Porra Mohler greeked; de Ann Hetzel, woo in eram læva ken beau g'hot hut un is so grawd os en doter bobla baum fun da fees bis on der bawrd, hut der Mike Boomer greeked woo dri-un-ochtzych tzoll um de hifta messed un sex tzoll um der kup. Der P. Dale leit hen en holva dawler wærdt tzooker un rawm gevva un hen derno en holva dawler wærdt ice-cream g'fressa. Es hut se derno nuch en holva ga-kusht far en loxeering greega fum duckter far se widder g'sunt maucha. Es hut mich ga-mawned os won mer shtæ uff en worref-showfel laisa daid un daid se derno uff der shoop-korrich lara. Awver es wore æ wake far geld maucha, un ebs letz wore odder recht, se hen ganunk greeked far en silverny bowl un tumbler kawfa far's nocht mohl ous daila. Anes fun da karl woo's mensht geld gevva hut is elect worra tzu'm legislature un hut ga-nunk u-garecht geld ei-gnumma far a pawr karricha bowa, awver sidder os are's hut doona de karricha fairs ene net boddera bis are widder lawfed.

ICH WUTT OS ICH ËN BOWER WARE.

Ich wut os ich en bower ware,
 Un het en boweri;

 Un schwartze næger si.

DES is es leedle os der karl singt woo em bower de oxel shtriched won are en office will, awver ich hob nuch fun kem lawyer, odder porra, odder drooker, odder ducter g'hared os en henker nootz wore os net tsu sinera profession g'shtucka hut. Se sawga mere der bower is en independender mon. Are is. Es doot nemond opposition runna tsu eme, un are hut olsfart ganunk tsu essa—wons usht lodwarrick-brode un sida flaish is.

Em ledshta shpote yohr is so en holb-gabockner lawyer room gonga shpeeches maucha un endlich is are on der Hawsa Barrick cooma woo shunt en monicher karl wedder galuffa is. Des barshtly hut oll de shæna socha g'sawd wæga da bowera os are g'wist hut, un endlich is are uff se gadraid un hut g'sawd:

De pawr wocha os are in der shool hut fleega os we dowva, bis de soon widder ivver der hivvel ruff coomed un derno gæds ons soomer huls hocka, un won sell fardich is is der soomer widder doh. Der

Now, de shlofe-kars sin awenich ordlich tzomma gadoo. De bedder sin in de tswæ sida fun der kar un gooka awenich we hinkelneshter in ma giles-droke. Fornä on yadem bed is en hap far der hinner shloopa. De ceiling is usht about dri foos hoach un es bed nembt de gons shtoop uff. Ich hob en arbarmse tzeit g'hot far mich ous-do. Olla mohl os ich mich uff g'hucked hob hov ich my kup wedder de ceiling ga-boomped. Endlich hov ich mich uff der rick g'laiked, my gallus lose g'maucht un by degrees my husa

We ich tzurick cooma bin hov ich net my bed finna kenna un we ich om soocha wore don sane ich ebber in de kar cooma. Ich hob en shprung ga-maucht un bin, by gosh, grawd in ma frem weipsmensch si bed ni ga-joomped, un des gadeer hut awfonga greisha we en bender un kicka we en blinder asel. Era bæ sin gonga we en patent hoy wanner un in all dem droovel is de Pully dertzoo cooma. "Des sin mere shæne g'shpoochta far en oldter mon," hut se g'sawd. Ich hob explained we's mere gonga ware, awver se hut druff insist ich het's parrabus gadoo un ebs ding farby wore hut se de moodergichtera g'hot. Are hut g'frogt wos mere wetta, un wile ich g'wist hob we sei-ish os se charga far olles on so bletz hov ich g'sawd are set uns budder-brode un coffee bringa. Un denk amohl draw, der schwartz shellem hut uns en dawler's shtick ga-charged far so en morga-essa.

Om Hawsa Barrick con ich en goot essa uff sees-grawd odder schnitz un knep' greega for en fardle. Es wore æ karl naixt by uns g'setzed un dare hut booch-wætza koocha, malossich, flaish, oyer un olles goodes g'essa os du draw denka kensht. Ich wet os si bill finf dawler wore.

Endlich sin mer don in Fildelfy cooma. Mere hen so feel fun em John Wanamaker sime shtore g'læsa g'hot os mere agreed hen mere daida gæ ene sæna far es arsht ding. Es arsht marrick wore about tswæ mohl so feel os es goods wardt wore un derno hen se der brise in der mid dorrich g'schnidda, un uff sell hen se nuch en gooder brofit g'hot. De Polly hut en gown kawfa wella. Se hut der glarrick g'froggt eb es blaicha daid un are hut g'sawd es daid net. "Ich glawb os es doot," hut se g'sawd. "Doh, Gottlieb, shtell dich hare un kow des far sæna eb de forreb rows coomed bis ich gæ nu sæ eb ich mich net besser soota con." Now, denk amohl on en oldter mon, dri-un-sivvatzych yohr oldt, on ma counter shtæ un dooch kowa we en kolb wons ma gowl der schwontz ob fressed! Awer ich hob's gadoo far freeda holdta, un endlich is se tzurick cooma un agreed es shtick nemma won der glarrick era en fardle yord ob shmisa daid woo ich draw gakowed hob!

Un we se fardich wore hov ich der Polly ins ore gaphpered, “Gut si donk—se is dote!”

WIDDER DAHAME.

Du denksht ferleicht ich bin dote—odder so gor nuch in Fildelfy. Awer ich bin widder dahame om Barrick—de lavendicht oldt howd im lond.

Mer hen nuch grosse tzeida g'hot eb mer Fildelfy farlussa hen. De nocht eb mer hame g'shtart sin, sin mere in der Theater, un ich hob mich fartzarndt bis ich gronk wore. Es wore en Næger show, un se hen æ older, growkeipcher Næger dort room ga-drockdeered os es en sind un en shont wore. Se hen ene farkawfed onera fendu, un der mon woo ene ei-gabudda hut, hut ene g'hocked mitera for-gaishel bis are rhona uff seim schwartzza bartzel hut g'hot we brode-warsht. Are hut en glæ wise mædel by sich g'hot un de hut ene larna de Beevil læsa, un hut ols mit eme gabade. Se hen se “Aafee” g'hæsa. Endlich is de Aafee g'shtarva un in der Himmel gonga. Yaw, in der Himmel. Ich hob se selver sæna ni gæ, un ich hob usht gawinched der Sam Seeshuls, woo net on en Himmel glawbed, ware by uns g'west so os are amohl selver ni sæna het kenna. De Polly hut rutz un wasser g'hiled. Se hut nimmy g'hiled g'hot sidder os ich es ledsht mohl hame cooma bin im boox.

Well, we des mædly dote wore hen se widder der oldt mon awfonga drockdeera bis endlich bin ich uff-ga-joompt un g'sawd won selly bisniss now net shtuppa daid don daid

Ich hob eme g'sawd ich ware der Gottlieb Boonastiel fum Hawsa Barrick, un won are nuch mæ fun mere wissa wet set are mit nows in de alley shtepa. Are hut g'sawd des ware usht en play un neemond daid wæ gadoo warra; es ware usht far wisa we de Demagrawda in der South ols de g'schlawfa ga-treat hen far em greek. Sell hut mich widder tsu meim farshtond gabruucht, un de Polly hut g'sawd se daid widder Gutt donka os era liever Gottlieb ken Demagrawd ware.

Noach em show sin mere ons wartzhouse far ivver nocht bliva wile mere der naixt morga free hame shtarta hen wella. Se hen uns nuff g'fora uff em alligator bis mere de hawna nimmy g'hæred hen, un derno uns es bed g'wissa. In ame eck fun der shtoop wore en hoy-shtrick. Ich hob der Næger g'frogt farwass os sell ware. Are hut g'sawd es ware'n fire-eshcape; dos, in case es wartzhouse daid fire fonga don set ich de Polly on æ end fum shtrick binna, se nunner lussa un derno hinna noach groddla. Haryomer! Denk amohl draw. En hoonert millune foos on ma hoy-shtrick nunner groddla im hem! De gadonka hen mich so fargelshtered os ich long net shlofa hob kenna, un won aw olles recht g'west ware het ich anyhow net kenna wile es licht uns de gons nocht in de awga ni g'shined hut os es em shier blindt g'mauched hut. Mer hen broveered es ousebloasa awer hen net kenna wiles inera glæna buddel wore un mer hetta usht so good in der windt gabloasa. Morgets sin mer free ob-g'shtart un bis owets wora mer widder dahame.

Froh! Well now, es hinkelfedder kissy uff em oldta rhoda shuckel-shtool wore si læva net so waich, un brode-warshnt un booch-wætza coocha si læva net so sees. Ich wet liever der Polly era tæ-kessel hara singa os de moosic fun der beshta band, un won ich in meim agena bed lie don feel ich os won ich im himmel room fora daid uff'ra wolk, en

De ni-fangleda socha shtæna mere gor uet aw. Ich glawb os es yader ebber batzawled far nuch Fildelfy gæ usht far sæna we en glæne grut os der mensch is in dem grossa feldt. Won mohl en mon denked os de weldt gingt unner, de feigel shtuppa singa un es wasser lawfa won are shtarva, set, don set are grawd ob shtarta nuch Fildelfy so os are ousfindt we en awrem-saliche grayadoor os are is. Ich hob feel g'larned in minera trip, awver noach dem, un won ich my pick hob far my shooring greega in Fildelfy odder in der jail, don greeked der shrief en boarder.

DER TSWA KEPPICH ELEFONT.

ICH hob dere shunt so long nimmy g'shrivva dos de leit boll denka ich ware dote; awer ich bin nuch so lavendich os en oldte rot in ma grossa kase.

Der winder wore hardt uff uns barrick leit, un duch net holver so hordt os my un der Polly era' bed. Mer hen der sprowersock ouse-ga-lart un tsu der koo g'feedered we's fooder oll wore un hen uff da shtrick g'shlofa. Mere wora, by chucks, boll oll farhoongered un es hut mich g'mawned on de Cleveland tzeida we mere nix mæ g'hot hen os soop.

Un sell g'mawned mich usht draw os mere widder des shpote-yohr en Bresident electa missa, un derno gebts band moosic, fet-lomp parades, meetings, shpeeches, un kondadawta os room cooma un setza de jiggers uff ous der schwartza buddle. Mer hen usht der onner owet derfun gablowdered ons Hullerhecka wartzhouse. Es wore en holbdutzent Demagrawda dart un kenner hut feel tsu sawga g'hot. Der Billy Bixler hut g'sawd de Hawsabarrick delegation wist nuch net eb se far der Bryan odder der Cleveland shtimma daida. Feel, hut are g'sawd, daida der Cleveland gleicha wile are der Bryan net leida kent, un onery daida der Bryan gleicha wile are der Grover so shontlosich shtumbera con. Are hut g'maned se daida en shtorke fuhr

maucha won mer se tzomma shponna kent awer de bugger daida 'nonner de hæsa ob kicka.

Ich hob ene g'froght vos letz ware mit em Hearst. "Der Hearst," hut are g'sawd, "con net schwetza, der Cleveland doot net schwetza, un der Bryan shtupped net schwetza." Se hen endlich agreed os de Demagrawdish pardy tswa kep het—der Cleveland on ame end un der Bryan om onera, un sell hut mich on em Sam Seeshuls si elefont gamawnd. Der Sam is a pawr yohr tzrick on en circus show gonga. Eb are ni is hut are a pawr freind aw-ga-druffa un yada fun ena hut ene g'froght far mit hinich de tent shteppe—so we mer evva doot—un bis are room cooma is wore are ordlich good ga-jiggert. Se hen usht æ ring g'hot awer der Sam hut dri g'sæna, un de wora inanonner g'henked we en odd-feller sign. Endlich coomed der elefont ni un we der Sam ene g'sæna hut is are fun seim sitz runner un tzoom ring ni. "Sell is en load hoy, un ich con der mon ledera os awgt os es en gadeer is!" Der elefont hut g'sæna os der Sam ous em blotz is, hut ene om sitz uff-ga-pocked mit seim schnovvel un ivver der shtrick nows g'shmissa. Der Sam is uff-gagroddled, si hoot greeked, un derno hut are awfonga tzoom elefonte schwetza:

"Du lop-oricher, tswa-schwentzicher gritz-sobberment. Won ich wist on wellem end os di kup is dait ich dere di dooners harn rouse schloga!"

Sell is der graisht druvvel os de Republicans hen des yohr—se wissa net on wellem end awfonga for der elefonte ledera. Der Bryan maned wile are tswæ mole galeddered is wara set are æ mohl elect warra. Are g'mauned mich on der Johnny Leblicher os om dish wore we se ob-gakuchte schnitz hen g'hot far supper. De bree fun denna schnitz wore olsfart feel aw-g'sæna far doonkes. Der Johnny hut schnitz g'fressa bis are shier farshproonga is so os are on de bree con, un we are se usht about oll g'essa hut g'hot, hut si brooder, der Jeckey, de shissel nows g'numma un awfonga doonka. "Sell shtand ich by em drunner net," hut der Johnny g'sawd, "ich hob de schnitz g'fressa un now will ich

aw de bree!" Der Bryan hut de schnitz g'fressa un now will are aw de bree, un are set se aw hovva, ovver der Cleveland, der Hearst un der Chuch Parker hen de shissel drows un sin heftich om doonka.

Se sin aw in grosser druvvel far blonka finna far en platform, un se offera en hunert dawler tzum mon os aney uff shtelt far se. So we's gooked nemts net feel hulse. Blotz for en holb dutzent mon druff tsu shtæ seemed gross ganunk wile oll de leit far der Teddy shtimma.

Yaw, de Demagrawda hen yoh en shtoombich feldt tsu blooga. Un se wella es du mit filler. Der oldt Sammy Sendapetzer is amohl dorrich der bush tsu fora cooma mit tswæ filler in ma blutz-wauga. Are is ivver felsa, bleck un shtoomba nows os der schmoke g'floga is. "Farwass bleibshet do net im wake, Sam?" hov ich ene g'froght. "Im wake?" hut are g'sawd, "by em shinner won mer mit filler fawrdt gait mer onna woo mer con—net woo mer will." Se sin ivver de Tariff shtawga-fense mit em Cleveland un ivver de Free Silver glifta nunner mit em Bryan. Es nembt gawiss en gooder fuhrmon far se im wake holda un net um-schmisa.

Won se der Teddy hetta far de whip cracka don daits onishter gæ. Are con anich ebbes fawra os der wake coomed, un anich ebbes rida os hore hut. Are is we en shill-grut—ivverall dahame wo are shtupped—awver far de naixta fier yohr henked are si hoot uff om oldta blotz—on der naugle hinnich der deer im Wisa House.

DER ASEL IN DER GILES HOWD.

ES WORE amohl en asel un dem is es farlæd worra en asel lenger tsu si. Are hut g'froght far in onery glaider aw gadoo si os are gooka mecht we en gowl odder en ux. Don sin se draw un hen en giles howd ivver ene g'shtripped, hen si ora nunner gaboona un hen ene nows uff der wake galust far si æga læva soocha. Gli is en drofe uxa der wake cooma un we se des ouslandish gadeer g'sæna hen hen se de

schwentz in de hæ un sin g'shproonga we narrish far ous em wake cooma. Des hut der asel gakitzeled os are awfonga hut locha, un we se si shtim g'hared hen hen se grawd g'wist wos are is, sin tsurick cooma un ene in de ribba gabored bis are madderlich gablart hut. Are is hame un g'frogf far de giles howd widder fun sich g'numma hovva, "Far," hut are g'sawd, "es maucht nix ous we ich mich awdo, un we feel os ich gook we en onner gadeer, so g'schwint os ich my mowl uff mauch don wase yader ware ich bin. Luss mich widder en asel si."

Des g'mawned mich on de Demagrawdish convention on St. Louis de ledsht woch. De party hut en platform adopt, odder en glade gawova, os so naixt ga-gooked hut we der Republican ruck os se hen kenna, un derno hen se den ruck uff der Demagrawdish asel g'henked far ene gooka maucha we en reshpectable gadeer un hen ene nows ga-drivva. We de leit ene es arsht g'sæna hen sin se far-shrucka un des hut der asel so gableesed os are awfonga hut schwetza, un we de Ni Yorrick tzeidunga g'sæna hen os es usht en giles howd ivver en asel g'shtripped is, sin se hinnich ene un es arsht os mere g'hared hen hut der asel ga-telegraphed os si ruck daid ene net fitta, un won se eme net en onera shicka daida os ivver si ora gingt daid are nimmy lenger asel acta far se. Se hen eme wordt g'shicked dos der blocka ware woo nemonde en sæna date, un are set sich dishtera. Sidder hen mere nix mæ fun eme g'hared.

Des is der wake os mere em Parker si nomination nemma om Hawsa Barrick. Es wore hoodlerei fum awfong tsu'm end, un we se fardich wora hen se nix g'hot tsu weisa far oll era arawet os en kondadawt far Wise Bresident, un sell g'mawned mich on der oldta Beckie Hetzel era woosly. De Beckie wore en woch fun hame un de kinner un der knecht hen de boweri g'managed. We se hame cooma is wore olles ous odder. "Oh ya," hut se g'sawd, "gook usht amohl hee! De glooka hen era neshter farlussa. de kee sin net ga-mulka worra, un dart drows lied de oldt lose mit ame yunga. So far-flompts management!"

Un duch sawga se now se hetta en kondadawt far Bresident won are shunt g'sawd hut are daid net lawfa. Parker un Davis! Aner huts net wella un der unner hut sich net helfa kenna wile are ane-un-ochtzich yohr oldt is. Awver are is dreisich millune dawler wærdt un se figgera os mit sime oldta mess kenna se sich en nie pon kawfa. Aner is en guld-demagrawd un der onner is en plutocrat. En hardte dose tsu shlooka, awver es g'mawnd mich om Davy Moyer si keffer-bree—"gor greishlich shtorrick, un brendt we der dihenker, awver 'sis goot wons drunna is."

Em Moondawg owet we der Hawsa Barrick rigglewake uns de nias gabrucht hut fun der nomination hen mere oll inera roy uff der bonk ons Hullerhecka wartz-house g'hucked wile mere g'hared hen os en kondadawt der wake drunna ware. Mere wora oll dorshtich un de froge is noddeerlich uff cooma wos der besht blan were far de menshta drinks ous yader pardy greega des shpote-yohr. Der Billy Bixler hut suggest mere setta en Brohibition sentiment uff greega un dale fun uns setta en wise bendly uff unser collar shpella far kondadawda fum track shmisa, awver we mere suggest hen os are set bresident fun der 'sociation si hut are object wile are bahawbt hut es daid ene derno nemond hæsa far uff shteppea un en pull ous der schwartza buddle nemma. Endlich hen mere agreed uff der Porra Mohler far bresident wile are en tee-totler is, un der Billy Bixler far secretary. Des gebt em Billy en chance far de checks handla os tsu der 'sociation g'shicked wara far era infloence, un es ivverich tenda mere dertsu. Mere hen en platform adopt, awver bis mere fardich wora huts shier bludiche kep gevva. Dale hen en synopsis fun der Republican platform nemma wella, dale hen en rale-down Prohibition declaration of brinciples hovva wella, un endlich sin mere anich worra un hen agreed uff en synopsis fun der St. Louis Demagrawdisha platform wile sell nix maned. Se hen mich un der Billy Bixler un der Bench Hess appoint uff en resoluter committee un des is wos mere ous g'maucht hen:

Resolfed: We belief in prohibition without restriction

or conviction; und that the use of spiritous or mault lickers should be restricted to the few as a disadvantage to the many who recognize the tariff in advalorum duty as a menace to the specific princibles regulating supply and demand.

Resolved, That we endorse civic and religious reform to the extent of abrogating all legislation on the licker traffic to ourselves; believing that its destruction is best assured when in the hands of those who know how to do away with it.

Resolved, That these resolutions be printed in the *Hawsabarrick Blotter* and spread on our minutes for thirty days to dry.

Der Billy Bixler hut en minority report bresent un en resolution os aw g'fonga hut mit, "We view with alarm," wile are g'sawd hut sell daid de Demagrawda fonga, awver se hen ene nunner ga-vote, un derno hen mere de platform adopt as a hole un sin in executive session nuch der baer-shtoop.

SOMSHDAWG OWET.

[Charles Calvin Ziegler, of Brush Valley, Centre county, is the author of a little book of Pennsylvania German poems. Among the many we select the following as a fair specimen of his genius—changing the spelling to suit our style.—AUTHOR.]

DE ledsht load hoy! Now, boys hurray!

HISTORICAL.

Although I have allowed this volume to go before the public under the title of "Pennsylvania Dutch," I have not done so with the understanding that the term, "Dutch" is justified by history, but rather by custom, as Dutch is English for *Deitsch*—the dialect term for German.

There are no "Pennsylvania Dutch" in our state as a distinctive class, and there never has been. The "Pennsylvania German," however, is and has been for nearly, if not quite, two centuries a marked individuality, and a powerful constructive force in her history and upbuilding. It is surprising that men versed in the history of the state should not distinguish between the German immigrant of the lower Rhine and the "Dutch" or Netherlands settlers of New York. It is true that the Dutch and Germans are descendants of the same great Teutonic family and that they anciently spoke the same language, but they are in many respects a distinct people, at least through political and governmental differences. There never was a perceptible immigration of Dutch into Pennsylvania although a few families in our own and other countries can trace their ancestry back to Holland.

To be precise the Pennsylvania German came from the Palatinate and his language or better his dialect, is that of lower or Northern Germany. His earliest arrival was possibly the religious refugees of the Wisihickon prior to Penn's arrival. Shortly after Penn came in 1682 a settlement by Germans was made at Germantown. The revocation of the edict of Nantes drove thousands to England, and Queen Anne made great efforts to alleviate their sufferings, spending thousands of pounds of her own private fortune in their behalf. The religious persecutions which followed the revocation forced thousands of them, with their Huguenot fellow sufferers upon England, and the influx of a foreign speaking, poverty-stricken, people became a menace to the English through over-crowding. Many were sent to Ireland and others were transported to the colony of New York and settled on the Mohawk river. Disputes with the English and the Dutch settled in that colony concerning the lands on which they had located caused many of them to travel overland to the head waters of the Susquehanna river, where, making rafts, they floated down the river (North Branch) and settled at various points in Pennsylvania, among them being the family of the celebrated

Conrad Weiser. This was about the year 1709, and the next move was by vessel from the Ports of Germany and England, Penn himself having invited them to settle in his colony. From that time up until 1765, and even later, there was a steady stream of immigration.

Such is their origin. Their literature is scant and altogether local, confined mostly to newspaper and periodical publications.

Had Luther translated the Bible into the dialect of lower Germany the Pennsylvania German would have been classical; or putting it better, the dialect of lower Germany instead of that of southern Germany would have been the literary language of the great German speaking people. "Low Dutch" is a phrase often applied alike to the Pennsylvania German and to his dialect, by his English speaking fellow citizens, and by Germans speaking the language of Luther and Schiller. Where applied intelligibly it merely refers to the language and people of the north or low part of Germany and carries with it no reflection. He has been a loyal and patriotic citizen from his first arrival. Was the first to openly protest against negro slavery and has shed his blood in defense of his country in every war since 1755 to the Boxer troubles.

He has been eminent in every walk of life. Snyder, Wolf, Schenck, Hartranft, Beaver (on his mother's side of the house), and Pennypacker, are some of the names he has given to history, and hundreds of others whose names have added to the glory of Pennsylvania have on their maternal side the blood of the "Pennsylvania German." Nor is this race confined to our own state. Thousands of them are to be found throughout the country, and wherever the flag floats.

He has clung most tenaciously to his language as the German always does, but not in later years to the exclusion of the English.

Take the "Pennsylvania German" out of the history of the State and you remove Hamlet from the play.

He has never proclaimed his deeds from the housetops, and perhaps, until very recently, has regarded the record of his ancestors as not calling for particular mention. While the Puritan, the Cavalier, the Knickerbocker, the Huguenot, and the Scotch Irish have each had their praises sung by their writers, the field is still open for a no less interesting story: that of the "Pennsylvania German" miscalled the "Pennsylvania Dutch."
